February 26, 2018

Dear Sponsors,

The Kiwanis Club of Milpitas Foundation recently held it's annual Crab Feed and Auction Fundraiser. The event was a grand success. We were able to raise approximately \$35,000!

All of these funds will be used to fund projects in the Milpitas community that focus on the needs of underprivileged youth. These projects include the yearly college scholarships that Milpitas Kiwanis grants to several graduating Milpitas High School students. These scholarships go to students who could not otherwise afford to continue their educations.

Additionally, Milpitas Kiwanis funds the Kohl's Cares for Kids event in August that provides school uniforms and school supplies to approximately 125 elementary school students in similar circumstances.

It is only through your continued support and participation that we are able to extend these services to the youth in our community that truly depend on our support.

The Kiwanis Club of Milpitas greatly appreciates your support and looks forward to your continued participation in the future. The next Crab Feed and Auction Fundraiser is scheduled for February 8, 2019. All of our members look forward to seeing you there.

Thank you,

Russ Williams
